## QCC and Kaizen

LLS Automation proudly celebrates excellence in Kaizen and Quality Control Circle (QCC)! Today, we honored our dedicated team members during the Safety Week

celebration competition winners, recognizing their efforts to enhance the workplace safety and efficiency. Thank you for your hard work and commitment to creating a safe and innovative work environment!

## Customer testimonial

"After the automation implementation in our spinning mill we have reduced 5 manpower per shift and achieved restarting brakes to 3% which was earlier up to 6.5%.

We are very happy to inform about the quality and deliverables for the Auto Doffer retrofit with CTL in addition to the good sales and service support by LLS. Also, we are happy to install the 1500<sup>th</sup> machine offered by LLS Automation".

## ITMA ASIA 2025 Expo participation

LLS Automation participated at ITMA ASIA + CITME 2025 in M/s. LMW stall held in Singapore. This international event was crowded by potential visitors and by showcasing the live demo

of our products attracts more foot-prints and the event was completed successfully and the responses was up to the mark.

## Quality month

### Quality Month Celebration at LLS:

Quality isn't a destination — it's a continuous journey of improvement, innovation, and excellence.

This month, our team participated with great enthusiasm in various quality-focused activities including:

- Quality Quiz
- Drawing Competition
- QCC & SIT Presentations
- Kaizen Suggestions
- Spot Events on Quality Topics

Together, we continue to build a culture where quality drives every action, every idea, and every achievement.
